WELCOME!

Hi ! My name is Ms. Jacobson your
3rd / 4th grade teacher. I am thrilled to
be at MSOC teaching another
exciting year.

ABOUT ME

As I embark on my 9th year of teaching, I value what
my students have taught me, while continuing my
passion for creating, engaging, and meaningful
lessons. Furthermore, as I work towards finishing
my final 4 classes in the Masters of Education
Program, I pride myself in being a lifelong learner
and one who never stops being curious and
questioning the world around us. It is these simple
philosophies that I long to instill in our precious
students.
